

In the United States Patent Office

Inventor: Jack G. Halterman

Title: Body-Supported Air Deflector For Motorcycle Riders

Filing Date: January 20, 2004

Serial Number: 10/ 763,069

Combined Declaration and Power of Attorney

As the inventor named below, I hereby declare that my residence, post office address and citizenship are as stated below, next to my name; that I verily believe that I am the original, first and sole inventor of the invention entitled "Body-Supported Air Deflector For Motorcycle Riders" described and claimed in the specification that was filed January 20, 2004 and assigned Serial No. 10/ 763,069; that this utility application discloses and claims subject matter that was originally disclosed in my provisional patent application, Serial No. 60/ 441,390 filed on January 20, 2003; that as to the earlier disclosed (2003) subject matter, I do not know and do not believe the same was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to the filing of said earlier application; that the same was not in public use or on sale in the United States of America more than one year prior to the filing of said provisional application; that the invention has not been patented or made the subject of an inventor's certificate issued before the date of the 2003 application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to the 2003 application; that as to any newly disclosed and claimed subject matter in the 2004 application, I do not know and do not believe the same was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to the filing of the 2004 application; and that the same was not in public use or on sale in the United States of America more than one year prior to the filing of the 2004 application.

I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application, in accordance with 37 CFR 1.56 (a), including information that occurred between January 20, 2003 and January 20, 2004; and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns.

Furthermore, I declare that I have reviewed and understand the contents of the specification, including the claims and the drawing to which the specification refers.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Title: "Body-Supported Air Deflector For Motorcycle Riders".

Small entity status is appropriate and is hereby claimed.
